VOCATIONAL TRAINING FRAMEWORK

Delivered by Capital City Partnership

DIGITAL AND CREATIVE ACADEMY

ARE YOU LOOKING FOR A CAREER IN THE DIGITAL AND CREATIVE INDUSTRIES?

Capital City Partnership's Vocational Training Framework is open for referrals for a 2-week course, offering: employability skills training, Digital & Creative sector recognised certificates followed by an option of an interview with recruiting employer. It's a great opportunity for successful participants to start meaningful employment. The course will involve:

- Minimum 9 days of certified training including: introduction to Digital Skills Award; introduction to Coding; introduction to CMS; elements of ITIL; administrative and IT skills.

- Guided job search activities, helping you to understand local labour market and any specific employer requirements.

- Insight into the sector from industry professionals.

- 1:1 CV building and interview technique support.

- Guaranteed interview with recruiting employer!
